

# College of Fine Arts Undergraduate Research MINIGRANT (URM)

---

With the support from the SFA's Research and Graduate Studies, we are proud to offer minigrants up to the amount of \$400.00 for assistance with undergraduate research projects. These projects include, but are not limited to: funding for material expenses for exhibitions and performances, workshop expenses, and travel expenses. Purpose for awarded funding must be for career or academic related cost.

## Deadline:

Students can apply for minigrants beginning on January 25, 2021. Applications will be assessed by the department chairs and the Undergraduate Research Liaison during monthly meetings until funding is fully awarded throughout the semester.

## Preference:

- Preference is given to students who apply for the Undergraduate Research Conference: Deadline: Feb 5, 2021 (please make note of this application in your proposal)

---
